

## Mini Ratcheting Brake Pipe Cutter 4.75mm

Automatic, self adjusting brake pipe cutter with ratchet handle.

### Additional Information

- Ratcheting, self adjusting mini brake pipe cutter ideal for restricted access.
- 4.75mm (3/16") with ratchet handle.
- Automatic self adjusting for faster cutting. Fast and accurate operation, ideal for under vehicle use.
- Extra leverage due to handle length over standard cutter. To further increase leverage use the 1/4" drive square in the end of the handle.
- Spare cutting wheel available - Laser Part No. 61279.
